

or blot it out. But “**the blood of Jesus Christ, God’s Son, cleanseth us from all sin**” (1 John 1:7).

There is a hope, a sure hope; there is one, and only one. All else fails. The blood of Christ never fails. Let guilt be acknowledged; let the precious atonement of the one Redeemer be realized. Then, and only then, there is “peace with God.”

Reader, God’s X-rays prevent all self-confidence. But the very One who knew all your guilt has provided complete salvation at infinite cost. God reigns through righteousness. It is grace abounding, grace triumphant. You and I have no “chance” of salvation in ourselves; but we are welcome NOW to a sure salvation in Christ.

GOD’S X-RAYS

GODS X-RAYS

God has His spiritual X-rays!

“The Lord looketh on the heart” (1 Samuel 16:7). “His eyes behold, His eyelids try, the

children of men” (Psalm 11:4). “Thou understandest my thought afar off”

(Psalm 139:2). “I the Lord search the

heart, I try the reins” (Jeremiah 17:10).

Would you and I like our in-

ner history to be published or

revealed? God's X-rays

reveal all. And if sin is not

blotted out by atonement,

the “plates” as it were will

come up for judgment. No

one can play with sin: it is a dreadful

reality. God knows what we desire—

imagine—think. He will bring every

work into judgment.

Are you unmoved? As the tubercular

spot is shown up by the X-rays, so your hidden sin

will come to light at God's investigation.

LOOKETH THE LORD ON THE HEART

“Can any hide himself in secret places that I shall not see him? saith the Lord” (Jeremiah

23:24).

An evil man “hath said in his heart, God hath forgotten, He hideth His face; He will

never see” (Psalm 10:11).

God's answer is clear: “They consider

not in their hearts that I remember” (Ho-

sea 7:2). “I know the things that come

into your mind” (Ezekiel 11:5).

Many who say, “I have

done no one any harm... I

have a clean sheet... I stand

as good a chance as any,”

boast unthinkingly. Some

even stifle consciousness of wrong by

vain talk. Let there be a deep sense of

God's permanent record that is be-

ing made, and they will speak less of

themselves.

God's X-rays have a subduing ef-

fect. They cannot lie. Nothing escapes His

notice. Nothing is too small for His piercing

investigation. Neither you nor I can blur it out,
